# Our brand

**Bihortal** is a brand of our company that specializes in the production and marketing of organic products. Our wide product catalog is characterized by its artisanal production and the use of raw materials of the highest quality. Natural ingredients, traditional recipes and patience have resulted in products of exceptional quality that maintain the highest quality standards.

It goes without saying that the basis of our recipes is the right balance between traditional production methods and the quality of raw materials. All this, seasoned with love, tradition and craftsmanship, make a unique product in texture and taste.

Our products are certified by the CAAE according to the regulation (CE) 834/2007, which regulates the ecological production method. They also have the stamp AB (Agriculture Biologique) and BIO SEAL.
